Hello,

**A-Team Moving and Storage is an amazing moving company! They were upfront, honest, and really made my move stress free. Once I agreed to move with them, they took care of everything from A-Z, I didn't have to lift a finger. The sales people were very meticulous, and collected all the information they needed to avoid any surprises on my move day. I was so worried that there would be hidden charges, and that I would be hit with unexpected costs for my move. But this was not the case! The sales person told me what my move would cost me, and it was just that! I would highly recommend this company, they are highly professional, very personable, and get the job done right!**

**Thank You,  
H.M**

To Whom it may concern,  
03/05/07

I recently moved a 4 bedroom home from Grapevine, Texas to Phoenix, Arizona.

I had researched several companies, including your company for my move.

I wanted a locally based Full Service Mover that was not a Broker. I have some h  
value Antiques, that I was very concerned with shipping.

Well, your company, A TEAM MOVING & STORAGE, not only met my expects  
but Exceeded them!

I was very impressed by how your movers made sure every piece I had was covere  
Protected! My Estimate from your company was also very accurate!

I received my items in Phoenix in 7 days, and everything was placed where I wante  
my New home. When I looked over my Antique pieces, my wife and I were so the  
we made The right choice in Movers!

I want to thank your company for everything, and will refer your company to all my  
friends And relatives!

Very sincerely,

Wilson Harold III

A Team Moving + Storage

To whom it May Concern,

I highly recommend Avi Kadock,  
Bruce Ambisi and Nir Davida for any  
moving positions you may have available  
in the future.

They moved my furniture from Tampa, Fla  
to Laurensburg, Tennessee in a timely fashion.  
The boxes were packed neatly and they  
unloaded the truck without scuffing my  
heavy items.

I found them to be professional, competent,  
and friendly.

I am very satisfied with their work.

Sincerely,

C. Harlow Dobbin
